

We missed you so much! We hope you're in great shape.

We are delighted to announce our reopening on Monday, June 22nd, starting at 4pm. We have been working for months for this moment, in order to be able to welcome you again, in a very safe way and above all, with the same pleasure and enthusiasm that we all share for good wine, good food and good times.

We will be open from Monday to Saturday, from 4 pm. No lunches at the moment, so that we can continue to offer food and wine for take-out. Each week we offer a delicious meal to reheat, as well as a ready-to-eat meal - perfect for a picnic! Saturdays are special, from noon to 3pm we offer a selection of à la carte menu items, as well as wine to go at “cavistes” prices. Just come on by to grab a bite and we will be there to help you with your wine selection.

We are currently taking reservations for both inside and outside. Patio reservations are only available one week before the day requested – so you can check the weather. Walk-ins are welcome anytime.

Soif Summer of 2020

- What Soif is doing to keep you safe:
 - All of our service staff are equipped to protect you. No need to make jokes about the masks and visors 😊 You'll be able to tell when we are smiling – or when Rox is rolling her eyes!
 - There are numerous hand sanitizers available throughout, so you can smell like alcohol inside and out 😊
 - We have taken our hygiene, cleaning and sanitizing protocols, already very strict, to a whole other level.
 - We have spaced all our tables, inside and out, by 2 meters.

- What will be different
 - Our kitchen, now known as the aquarium, has been sealed for safety. Please feel free to wave hello as you pass by, but don't tap on the glass, you might scare them 🐟
 - Our much lower capacity leads us to reduce our turn times: all seatings are for two hours, which allows us enough time to fully clean and sanitize between each guest.
 - Every glass of wine will be poured into a clean glass, which means no more tasting before choosing a glass and no more 2oz pours. But as always, we're there to help! Feel free to ask extra questions to our team to help you make your choice.
 - BUT! We now have the right to sell wine to go. Did you know, you can order a bottle, just have a glass or two and take the rest home with you, or purchase a closed bottle to go. So you can enjoy Soif at home 😊
- What is expected of you as a guest:
 - You are without symptoms and are following the regular safety measures provided by the government. Don't be a yahoo! 😊
 - Only one group can enter at the time. Please wait for us to greet you.
 - Wash your hands as you enter, before you leave, and after you use the facilities (but you should already know that one).
 - Please check your surroundings to keep 2 metres from other guests, unless passing quickly.
